

Note to the Autocrat:

Thank you very much for your cooperation in getting this form filled out and returned to me. This will help to insure that a waterbearer is able to attend your event with water and other items that you request. In order to make all of the necessary arrangements, please be sure that I receive this form no less than one month before the first day of your event.

Also, the waterbearer does not receive baronial funds for providing things such as Gatorade, fruit, etc. Therefore, if you would like these items to be available at your event you will need to include money in your budget for them. Please be sure to fill out the line telling me how much you have allotted for these other items so that I know what I have to work with. I will do my best to find things at the lowest price possible. In the event that I need additional funds to provide requested items, I will contact you before purchasing anything to get your approval or to rework the requested items to fit into your budgeted amount.

I look forward to working with you and attending your event. If you have any questions or need anything from me, please do not hesitate to contact me, my information is listed below.

Lady Elisant von Zweibrücken

Waterbearer for the Barony of Caerthe, Kingdom of the Outlands

Mundane Information:

Tara Graham

830 Harlan St.

Lakewood, CO 80214

Phone: 720-320-0143

Email: elysant@gmail.com

If you attempt to contact me by phone, I do not always answer for numbers I do not know... please leave a message and I will return your call as soon as possible, sometimes right away ✍

I can also be contacted via the Caerthen website by accessing the site at [www.caerthe.outlands.sca.org](http://www.caerthe.outlands.sca.org), clicking on the "Officers" tab, then scrolling down to the waterbearer listing. The email link there will send a message to the above address... also, Lady Branwen and I are working to have this form available to be filled out from the site and sent directly to me. I will make an announcement when that feature is available.
